

MSP Student Professional Development Scholarship

Funding Request Form

Submit to Dr. Chávez-Korell at Least 1 Week Prior to Event

MSP designates funds each year to support students' professional development. Funds are prioritized for students who are presenting at the APA Convention or for APA Division Conferences. However, this form may be submitted for any psychology-related professional development opportunity. These funds are intended to help off-set the cost of conferences and professional development trainings for MSP students. **If you are approved for funding, you must provide receipts and other documentation as applicable.**
